Welcome

At Piperdam Leisure Resort, we provide an exceptional range of solutions for your big day offering a unique, flexible and first rate level of service, all delivered by a team of welcoming professionals.

As well as our natural beauty set in the Angus countryside, our strong central location in the heart of Scotland allows for excellent logistics for functions requiring bigger attendance. We have strong transport links from the key cities of Edinburgh, Glasgow, Aberdeen and our local city of Dundee giving you more flexibility and less pressure when organising your big day.

But unique doesn't stop there. Piperdam can provide not just the setting but the space. With our Activity Barn able to accommodate events up to 550 people in attendance, or much smaller private functions in our Reval and Riga Suites for up to 80 or 220 people respectively, we truly can deliver what many venues are unable to in the same circumstances.

No matter your requirements, our team are here to listen, work with you and deliver an event that is all about you and your wishes. This booklet serves as nothing more than a guide and should you feel that your big day is in need of something a little more individual, please don't hesitate to ask at any time and we will always look at the possibles not the impossibles.
